The following PIN(personal identification number) has been assigned to your web account PX1g!927.

This PIN, along with the web ID number previously provided, will be needed to create your web account.

To set up your web account, log on to our web site at "www.hsmv.state.fl.us". Under "Online Services Full Service Menu" select Motor Carriers' IFTA and IRP Electronic Services. On the first screen you will be asked to enter the login ID and assigned PIN referenced above. Once this has been completed you will be prompted to select a new PIN.

Instructions and criteria for the PIN will be provided. You now have access to your IFTA account and can enjoy the convenience of inquiring, filing tax returns and eventually ordering your IFTA credentials online!

The Bulletin page, which is displayed after logging into your web account, will keep you updated as new options for electronic credentialing become available.

If you have any questions about this process, please call our public service telephone at (850)617-3711.
